MALAWI STOCK EXCHANGE HOSTS WEBINAR ON FINANCING OPPORTUNITIES AND LISTING READINESS

The Malawi Stock Exchange (MSE), in collaboration with Bridgepath Capital Limited, hosted a virtual webinar on 20th November 2025 titled “Financing Opportunities and Readiness Strategies for Listing.” The session aimed to equip prospective issuers, SMEs and financial stakeholders with practical insights into preparing for capital market participation.

Welcoming remarks were delivered by Mr Douglas Nyirenda, Senior Operations and Compliance Officer at MSE. He set the tone for the session by highlighting MSE’s commitment to supporting potential issuers and promoting access to capital through the exchange.

The webinar was facilitated by Mr Peter Chikunkhuzeni, Investment Officer at Bridgepath Capital Ltd. Peter holds a Bachelor’s Degree in Social Science (Economics) and has successfully completed all three levels of the CFA Program. Drawing on his expertise in macroeconomic dynamics, corporate finance and capital markets, he guided participants through key readiness strategies, including financial structuring, governance alignment and investor engagement.

Mr Nyirenda also co facilitated the Q&A segment alongside Mr Chikunkhuzeni, providing clarifications and institutional perspectives during the discussion. He later offered closing remarks that reinforced MSE’s commitment to inclusive financial development and capital market accessibility.

Participants explored the benefits of listing, common challenges faced by issuers and the importance of strategic planning in accessing long term financing. The interactive session featured a robust Q&A segment, where both facilitators responded to questions with data driven insights tailored to the Malawian market context.

This webinar forms part of MSE’s ongoing financial literacy and market development initiatives, reinforcing its role in promoting inclusive economic growth.
