#### PERFORMANCE

The Group reported a 42% increase in profit after tax of K6.4 billion for the six months period ended 30 June 2023 (2022: K 4.5 billion).

The Group generated total income of K8.8 billion (2022: K7.5 billion) for the six months period. The main cause of the variance with the corresponding period was due to the impact of property revaluation gains which improved in the current period. Rental income improved by 13% due to rental escalations. Investment income reduced due to capital investments.

Total expenses for the Group increased to K1.6 billion (2022: K1.3 billion) due to inflationary pressures and related property management related costs. Income tax reduced due to the impact of CPI movements on deferred tax related to properties.

During the period the Group made a further investment into the Blantyre Hotels plc hotel project in Lilongwe amounting to K1.7 billion bringing the total investment to K8.5 billion. After period end, ICON handed over a police unit at Chichiri Shopping Centre in July 2023.

#### DIVIDEND

The Directors have recommended an interim dividend of K868.4 million (2022: K801 million) representing 13 tambala per share (2022: 12 tambala) being an 8.3% increase in dividend. Members whose names will appear on the register at the close of business on 13 October 2023 will be eligible for this dividend payable on 27 October 2023. The register of members will be closed from the close of business on 13 October 2023 to the close of business on 20 October 2023 and no transfers will be registered during that time.

#### OUTLOOK

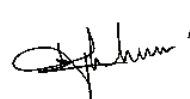

Inflation in the country stood at 27.30% in June 2023 and is expected to average 29.5% for the 2023 year. Malawi's foreign-currency shortages are likely to persist in 2023 putting further pressure on the local currency which may further drive-up inflationary pressures.

The property market is however expected to continue to improve as it gradually aligns to the prevailing macro-economic dynamics.

The Group is committed to continue pushing forward on projects in the pipeline despite the challenging economic environment in the country with announcements to be made in the coming months.

#### APPROVAL OF THE FINANCIAL STATEMENTS
