

TRADING STATEMENT FOR THE YEAR ENDING 31 DECEMBER 2025

In terms of the Listing Requirements of the Malawi Stock Exchange, a listed company is required to publish a Trading Statement as soon as there is a reasonable degree of certainty that its financial results for the period to be reported upon will differ by at least 20% from the financial results of the previous corresponding period.

National Bank of Malawi plc, accordingly, advises that its consolidated profit after tax for the year ending 31 December 2025 is expected to be within the range of **K189.9 billion** to **K211.0 billion**. This represents an increase of between 87% and 107% from the **K101.7 billion** reported in the previous corresponding period ended 31 December 2024. In addition, the consolidated profit after tax attributable to owners of the parent company is expected to be in the range of **K187.6 billion** and **K208.1 billion**. This represents an increase of between 83% and 103% on the consolidated profit after tax attributable to owners of the parent company of **K102.3 billion** reported in the previous corresponding period.

The information on which the above Trading Statement is based has not been reviewed and reported on by the external auditors of National Bank of Malawi plc.

National Bank of Malawi plc expects to publish its summary consolidated and separate financial statements for the year ending 31 December 2025 within the required period.

By Order of the Board dated this 29th day of December 2025.
