

TRADING STATEMENT IN RESPECT OF THE HALF-YEAR ENDING 30 JUNE 2026

The Listing Requirements of the Malawi Stock Exchange require a listed company to publish a Trading Statement as soon as there is a reasonable degree of certainty that the financial results for the reporting period will differ by at least 20% from the previous corresponding period.

National Bank of Malawi plc, accordingly, advises that its consolidated profit after tax for the half-year ending 30 June 2026 is expected to be within the range of K125.32 billion and K142.14 billion. This represents an increase of between 49% and 69% from the previous corresponding period ended 30 June 2025, when the Bank reported a profit after tax of K84.11 billion. In addition, the consolidated profit after tax attributable to owners of the parent company, National Bank of Malawi plc, is expected to be in the range of K123.54 billion and K140.02 billion, representing an increase of between 50% and 70% on the profit after tax attributable to owners of the parent company of K82.36 billion reported in the previous corresponding period.

The information on which this Trading Statement is based has not been reviewed and reported on by our external auditors.

The summary consolidated and separate financial statements of the Bank for the half-year ending 30 June 2026 are expected to be published within the required period.

By Order of the Board dated this 25th day of June 2026.
