

# Trading statement in respect of the year ending December 2021

In terms of the Listing Requirements of the Malawi Stock Exchange, a listed company is required to publish a trading statement as soon as there is a reasonable degree of certainty that the financial statements for the period to be reported upon next will differ by at least 20% from that of the previous corresponding period.

Telekom Networks Malawi plc accordingly advises that profit after tax for the year ending December 2021 is expected to be at least 20% higher than the previous corresponding period.

The information on which this Trading Statement is based has not yet been reviewed or reported on by the company's auditors.

Telekom Networks Malawi plc's financial statements for the period will be published in the press by April 2022 following their review and approval by the Board of Directors.
