WEBINAR ON STRENGTHENING CORPORATE GOVERNANCE FOR GROWTH

The Malawi Stock Exchange (MSE) successfully hosted a webinar titled “Strengthening Corporate Governance for Growth” on Friday, 15th August 2025.

The session was led by Mrs. Kelline Kondowe, Chief Operating Officer of MSE, and attracted a diverse audience of business leaders, potential issuers and capital market stakeholders.

The webinar underscored the strategic importance of corporate governance in building investor confidence, attracting capital and fostering sustainable business growth. Mrs. Kondowe provided a comprehensive overview of governance frameworks aligned with MSE listing requirements, highlighting key principles such as board effectiveness, transparency and regulatory compliance.

Participants engaged actively through a moderated Q&A session, reflecting a shared commitment to strengthening governance practices within their respective institutions. The event reinforced MSE’s role as a catalyst for ethical leadership and market integrity and furthered its outreach to prospective issuers seeking to align with listing expectations.
