ISSUER WEBINAR ON LISTING OPPORTUNITIES

10th July 2026

The Malawi Stock Exchange hosted an insightful Issuer Webinar on Friday, 10th July 2026, under the theme “Listing Opportunities on the Exchange”. The session, held via Microsoft Teams, highlighted how listing could support company growth, enhance visibility and provide access to capital.

Participants were guided through the benefits, requirements and listing process, with an interactive Q&A segment offering practical clarity on key issues.

The webinar was facilitated by **Mr. Mayamiko Mbendera**, Corporate Finance Advisory, NICO Capital Limited, who provided expert perspectives on how businesses could leverage capital markets for expansion

This initiative reflects the Exchange's ongoing commitment to empowering issuers and strengthening participation in Malawi's capital markets.
