

The second quarter of 2026 was defined by the Malawi Stock Exchange's strategic engagements focused on advancing investor education, strengthening financial literacy and promoting inclusive participation in the capital market. These initiatives underscored MSE's commitment to sustainable growth and deeper stakeholder collaboration.

MSE participates in 36th Malawi International Trade Fair

PROMOTING ECONOMIC STABILITY THROUGH ENHANCED PRODUCTION AND INDUSTRIALIZATION

The Malawi Stock Exchange participated in the 36th Malawi International Trade Fair, hosted by the Malawi Confederation of Chambers of Commerce and Industry (MCCCI), from 21–29 May 2026 under the theme “Promoting Economic Stability through Enhanced Production and Industrialization.” From 25–29 May, the stand hosted school visits, engaging learners from approximately 15–20 institutions ranging

from primary to secondary schools and reaching several other participants. Each school group received promotional materials, and awareness reels were showcased to reinforce financial literacy and capital market operations. MSE also joined the MITF Business Forum B2B Matchmaking on 23 May at Sunbird Mount Soche, strengthening networks with corporate stakeholders and reinforcing its role in promoting investment opportunities.

UNIMA Education Society Symposium 2026

The Malawi Stock Exchange proudly participated in the UNIMA Education Society Symposium on 24 April 2026 at Hapuwani, Mulanje, under the theme “Beyond the Classroom: Empowering Educators through Innovation, Entrepreneurship and Inclusive Technology.” Mr. Douglas Nyirenda, Senior Operations & Compliance Officer, delivered a presentation on financial literacy and the role of capital markets in fostering economic growth.

Mrs. Mary Chipofya Chikaonda, Business Development Officer, coordinated student engagement at the MSE pavilion, where brochures, banners and interactive sessions promoted awareness of stock market participation. This involvement strengthened the link between education and real world financial practice, while showcasing MSE's initiatives in innovation and inclusive financial education.
